

SNO-EAGLES, INC. SNOWMOBILE CLUB Eagle River, WI

NEWSLETTER - NOVEMBER 2020

PRESIDENT'S MESSAGE

Winter seems to be in the air here in Eagle River. We have had measurable snow already this year and a little ice forming along shore on the lake. It is too early, and we need cold weather before any more snow. It has been a busy Fall for the club, with trail brushing, equipment maintenance and shop maintenance all well underway. A Big Thank You goes out to all our club members who have volunteered their time and talent in support of the club. 2020 has been a most unusual year with the COVID and small businesses struggling to make ends meet. Your club has been working hard with limited fundraising and asking for donations. Our biggest Raffle Fundraiser of the year is going on now. Please purchase Groom to Ride raffle tickets to support your club. The club and I want to thank our many volunteers and ask other members to join us in getting the club ready for winter. Due to the COVID pandemic the club will not hold a Christmas Party this year. Let us hope Santa comes anyway. A very special thank you to Bauer's Dam Bar & Grill for donating food and drinks to our volunteers brushing trails on October 24. Thank you so much Donna and Glen and the staff of Bauer's Dam.

Smile.Amazon.com

I am asking all members and family members to use Smile.Amazon the next time you purchase items through Amazon. It is super easy. Just type smile.amazon.com and then smile amazon comes up on the screen. It will ask you which charitable organization you would like to have Amazon send a donation. You select Sno-Eagles Inc. Eagle River. (next time it will come up automatically) then go shopping. Amazon will donate .5% of sales to our club. It is a small donation of 50 cents with a \$100 order, but it all helps. Amazon deposits the donations right into our checking account.

Thanking our Volunteers:

Let us all thank our volunteers who helped the club during October.

TRAIL BOSS REPORT

We are finding our way to the end of brushing season and about 40 days till the trails could open. We have had a busy fall with lots of volunteer help. Thank You to everyone who has showed up and pitched in. It's been great to see familiar faces and meet new ones. I have personally received several compliments on how well we communicate the activities that go on with the club emphasizing on brushing work days. If you have suggestions, ideas, or thoughts of how we can change or make it better please let us know.

As for the trails we will be ready for our inspection the first week of December. We are updating signs and cleaning up final sections of trails. Several areas we cannot enter until after hunting. If

you can make the last Saturday Brush/Sign Day Nov.14th please let me know. We will have a cookout at the shop after.

Our third Pisten Bully arrived this past week from Price County. It's a well-cared for 2011 Trail Bully with only 2,000 hours. This year we will have all three Bully's on the trails giving us advantages to skipping around swamps, going into swamps earlier with lighter equipment, and we now have a blade on each machine. This club has not had three machines with blades for a number of years. Many advantages to having all two tracked machines and the Bully's fit in well with our trail system.

We are ready for snow! See you all on the trails soon.

Brian Scheid- Trail Boss.

Miss Sno-Eagle 2020-2021
Cheyenne Warren

Cheyenne Warren was crowned Miss Sno-Eagle 2020-2021 at our October membership meeting this past week. Cheyenne is a graduate of Northland Pines High School and is presently a sophomore at UW Green Bay majoring in communication.

During her freshman year in college, Cheyenne was a cheerleader for the Green Bay Packers and UW Green Bay. She had the opportunity to cheer at every Packer home game and one playoff game.

Cheyenne was raised in a snowmobiling family and has been riding snowmobiles since she was 5 years old. In 2017 she was a Derby Princess, and in 2018-2019 she was Miss Sno-Eagle. Since

then she has been an active member of the Sno-Eagles participating in numerous events and sharing her passion for snowmobiling.

Her love of snowmobiling and desire to stimulate interest in snowmobiling motivated Cheyanne to establish a youth snowmobile group in Vilas County. Early in 2020 she presented her idea to the Sno-Eagles and the Vilas County Snowmobile Alliance gaining their support. The Vilas County Snowmobile Youth Group was formed earlier this year and Cheyanne serves as coordinator and advisor.

As Miss Sno-Eagle, Cheyanne will represent the Sno-Eagles at events throughout 2020-2021 some of which include the World Championship Snowmobile Derby, Badger State Games Torch Ride, Derby Vintage Weekend, snowmobile safety class, Groom to Ride Raffle, the 4th of July Parade, and membership meetings. She is featured on the cover of our 2020-2021 Trail Map.
